Scotland

Welcome to the Blair Atholl team for the 2018 Jamborette. I am delighted that your application has been successful and I am sure that you are looking forward to what is certain to be a memorable Scouting experience.

Information about the camp and your role as a staff member was issued with the application forms and I trust you are familiar with most of the details. This leaflet is intended to provide an update on some of this information, the arrangements for payment, key information about your time at the camp and to help clarify the joining instructions. So please take the time to read it fully and to complete the necessary paperwork requested.

The 2018 Jamborette will be our biggest yet, with the camp divided into the usual six sub-camps. The camp will have a truly international flavour with over 600 Scouts from Australia (Only for Satellite Camp), Austria, Barbados, Canada, Denmark, Ecuador, France, Germany, Gibraltar, Hong Kong, Iceland, Ireland, Japan, Northern Ireland, Singapore, Spain, Sweden, The Netherlands and the United States of America joining our 600 Scottish Scouts.

Previous Jamborettes have been notable for the excellent spirit within the staff and the tremendous co-operation and camaraderie that existed. As a member of staff, you are part of a large team who work very hard to set the tone and standards of the camp and create the right atmosphere of fun and friendship to welcome both Scottish Scouts and our visitors from Overseas.

The Jamborette is an International camp for young people. Safety and supervision of the young people both in camp and in programmed activities is our prime concern at all times. Equally important are the personal standards and example set by leaders.

At different times in previous Jamborettes, some Camp Services and Activity teams have come under greater pressure, but they have always received help from everyone else. There is always something that needs to be done - please help by volunteering to Stuart Imrie, our Staff Co-ordinator - don't wait to be asked! This year, as ever, the traditional "great team effort" will be required. It's hard work at Blair Atholl but great fun!

I hope that everyone who attends, returns home full of praise and enthusiasm about the marvellous time they have had at Blair Atholl. That way, more and more will wish to come to sample the special Jamborette magic in 2018 and beyond. The Blair Atholl Jamborette has a fine reputation and a lot of local goodwill. Please do all that you can to preserve and enhance the good name of Blair Atholl and Scottish Scouting by your actions and commitment.

Yours sincerely

A handwritten signature in blue ink that reads "Sharkey".

**Andrew Sharkey**  
Camp Chief

**Jamborette History:** Blair Atholl Jamborettes have been held every second year since 1946 and were the idea of the late Jack Stewart who was International Commissioner for Scotland. The Jamborettes have always been patrol based, with the arrangement being that Scottish patrols arrive and set up double patrol sites, so overseas patrols travel to Scotland without tentage and camping equipment. The camps are quite intentionally smaller than many international camps, to allow more international contact and friendship and for this to continue for a period after the camp in Scottish homes during a short period of home hospitality.

**Management of the Camp:** Responsibility for organising and running the camp lies with a Core Team under the leadership of the Camp Chief, Andrew Sharkey. Each of the other members of the team has a particular area of responsibility:

|   |               |
|---|---------------|
| Activities –                                  | Beverly McNab |
| Administration –                              | Iain Fyfe     |
| Catering / QM –                               | Graeme McNab  |
| Resource Procurement /<br>Site QM/Transport - | Colin O’Neill |
| Site Services –                               | Duncan Millar |

Whilst on camp the Core Team increases in number to support some of the other key parts of the camp. Staff Coordinator Stuart Imrie, Subcamp Coordinator Robbie Hay and the Camp Doctor, Dr Colin Peters join the team. In the Staff Coordinator role, Stuart works alongside the Camp Doctor taking responsibility for staff security, safety and wellbeing.

The Core Team shares responsibility for various aspects of the camp with the Senior Staff Team. In addition to their own particular areas of responsibility, Senior Staff will also oversee duty and security rotas. Core and Senior Staff Team members will be introduced at the start of the camp.

All staff should hear from a member of the Senior Staff Team or their Team Leader before the camp. If you haven’t already heard from them, please email us at [scottish-staff@jamborette.org.uk](mailto:scottish-staff@jamborette.org.uk)

**Arrival at the Camp:** Scottish staff are expected to arrive from 12.00pm on Saturday 14th July. Unless previously invited to fulfil a role prior to the camp starting **STAFF WILL NOT BE ALLOWED ONTO THE SITE BEFORE SATURDAY 14th JULY.** The first meal served is dinner on the 14th July.

Preparing the site and all the facilities is a huge task, and you will be directed as to how you can assist. Scottish Scouts arrive on Monday 16th July, and all our overseas guests arrive on Tuesday 17th July. All the Scouts depart on Friday 27th July, and there is a well-deserved staff party that evening. All staff are expected to assist with the dismantling of the camp on the Friday and Saturday and your involvement in this will be under the direction of the senior staff and your team leader. You should be free to leave for home by mid-afternoon on Saturday 28th July.

**Arrival at the Camp (continued):** The campsite is the field, known as Target Park, on the right-hand side going up the main drive to Blair Castle. If you are arriving by train, the site is within walking distance of Blair Atholl station. If you are arriving by car, access is from the main Castle drive as directed. Please do not park on the Castle drive or stop on the grass verge. Vehicles on site will be strictly controlled so, after unloading your gear, cars must be removed to the staff car park. Vehicle access to the site thereafter is by special pass only.

On arrival, please report immediately to the Camp Office, which is located beside the main gate, to register, collect the camp badge, neckerchief and staff garment. You will then be directed to the Staff Camp and advised where to pitch your tent.

**Tentage and Equipment:** Scottish staff should bring their own tents. Space in the staff camp is limited and safety regulations require that siting and spacing of tents is carefully controlled. Please, only pitch your tent after you have received appropriate directions from a senior staff member.

Scottish staff should have space in their tents to accommodate overseas leaders joining their teams. Sharing accommodation in this way allows overseas leaders to be fully integrated in the life of the camp, and with Scottish staff. Remember that you are camping for two weeks – hike tents and small individual tents are not appropriate.

Normal personal camping equipment for a two-week camp should be brought. You may wish to bring other items which will add to your comfort. Note, however, that electricity will not be available in the staff camp or sub camps although there will be limited facilities for charging mobile phones.

**Camp Fee:** The staff fee of £240 must be paid by the 1<sup>st</sup> of July. The fee can be paid in a number of ways; Debit Card / Credit Card or by Direct Bank Transfer.

For part-time staff the camp fee is £25 (to cover the cost of the garment, mug, neckie and badge) plus £19 per day, or part of, onsite. Part-time staff must have already agreed their commitment with the Jamborette organisers.

For children of staff members aged 5 or over the Jamborette fee is £10 (to cover their neckie and badge) and a daily fee of £5. Children under this age are not charged the daily fee but must pay the £10 fixed fee.

Where it is not the standard fee - £240 - that is being paid, we need details of what is actually being paid and why - i.e. dates attending for part-time staff and payment for children. In all cases the staff number must be quoted and this should be paid directly to SHQ by calling on 01383 419073 during office hours and paying electronically over the phone using a Debit / Credit card

**The preferred method of payment for anyone paying the full £240 camp fee is online at <https://form.jotform.com/80364216637962>**

**To complete this form you will need your ID number, starting T..., provided on your email inviting you to pay.** The form will then direct you to PayPal and you can pay through your account or as a guest.

Alternatively, you can pay by Direct Bank Transfer to our Royal Bank of Scotland account using the details below.

| 19.45 | Flag Down   |
| 22.00 | Scouts back in own subcamp (Staff Supper in Staff Club) |
| 23.00 | Lights out  |

**Flag Break:** At 10.00 and 19.45 when the flag is raised and lowered a gong will be sounded and all staff in the camp are expected to face the main flags and stand to attention, saluting at the appropriate time. (Don't worry, you'll get used to it)

**Uniform:** It is important that all staff have full and correct Scout Uniform with them (**appropriate kilts or tartan skirts, lovat green socks for males**) – more than one shirt is desirable and a kilt is essential. Full uniform is worn on all trips off site apart from designated activity times, or unless otherwise instructed by the Core Team.

**A white shirt is necessary for some social occasions.**

**Camp Layout:** The campsite is laid out as below. **However, due to** work taking place in Target Park the layout of the Staff Camp, Main Gateway, Staff Mess, and Reception are likely to change. A more up-to-date map will be issued on arrival to reflect any changes.

**Staff Role:** As a member of staff you are taking on a range of responsibilities, and at the same time have a real opportunity to have a great time.

As with all Scouting activities, the camp operates under the provisions of the UK Scout Association’s Policy, Organisation and Rules (POR) and the Scottish Variations thereof. Over the years, we have developed policies and procedures, based on POR, as applicable to our particular circumstances. All the policies and procedures have been pulled together in one working document, which has been updated and refined for this year’s camp.

As a member of staff, you have a responsibility for safety and supervision of young people. There will be presentations and training given, and it is your responsibility to ensure that you understand the policies and procedures relevant to the work you undertake at the camp – if you are not sure, please ask your team leader or a member of the senior staff.

You will be part of a team who will be relying on you to play your part and you will be called upon to do additional tasks outside your main area of responsibility, including supporting kitchen wash-up and security. Everyone works hard at Blair Atholl, and some teams come under considerable pressure at certain times. If you are asked to help, please do so.

The staff camp is home for two weeks, and everyone needs to respect everyone else. There is a well-earned social life at the camp but it must be remembered that it is a Scout camp. There are over 1000 young people on camp, and responsibility for them must be recognised at all times. Lights out for the Scouts in sub-camps is 11.00 pm; some staff rise early in the morning so need to get to sleep at a reasonable hour and others are later settling down at night. Noise, after 11pm, and large staff gatherings must be avoided.

## CODE OF CONDUCT:

The Code of Conduct for the Jamborette is based upon the standard Code of Conduct for International Events used by the World Bureau. It is a general code and additions can and will be made at the camp as required. As with all Scouting activities, the camp operates under the provisions of the UK Scout Association's Policy, Organisation and Rules (POR) and the Scottish Variations thereof.

All staff members (Scottish and Overseas) at the Blair Atholl Jamborette must agree to follow and adhere to the Code of Conduct below.

Please follow these guidelines to keep yourself and everyone else safe and help us all have a great Jamborette.

- Wear your Jamborette neckie and I.D. badge at all times unless asked to remove them for safety reasons.
- Follow the [Scout Promise, Law](#) and [Fundamental Values](#) at all times.
- Be tolerant, respectful and understanding of others.
- Turn up for your duties on time. If you are unable to work, you must make sure your team leader knows before you are due to start.
- Respect other people's property - if you didn't bring it or buy it, then leave it alone. 'Trophy hunting' is theft!
- Smoking is permitted only in marked areas.
- The possession, use or supply of illegal substances is expressly forbidden.
- As an adult you may not swap badges with Participants. You may not sell anything.
- Please respect the right of others to sleep and rest. Remember that people will be working shift patterns and may have to sleep during the day.
- Please use the bins provided and make a special effort to keep the Jamborette clean and tidy.
- Take care when using the services such as showers and toilets and think of others.
- Gambling is not allowed.
- Please respect and follow all signs and instructions - 'out of bounds' or restricted access areas have been designated for a reason.
- The Staff Lines, Staff Mess and Staff Club are for staff members only.
- Staff should wear full Scout Uniform or appropriate activity dress when off-site unless otherwise instructed by the Core Team.

The UK Scout Association has a [Child Protection Policy](#), [Safety Policy](#) and guidelines on "[Scouting and Alcohol](#)" and the "[Scouting and Alcohol - Green Card](#)". All persons present at the Jamborette must familiarise themselves with the content and abide by these rules whilst on the site.

All Staff members must follow direction from the Camp Chief, as the Regional Commissioner for the event, and his Core Team.

**Safeguarding of Adults and Young People:** As leaders in Scouting, we all have responsibility for Child Protection. The Application Form and registration process is all part of what we need to do, as is the identity badge, which will be issued to all staff. All visitors to the site **MUST** be properly signed in and out, and under no circumstances can anyone who is not registered in advance of the camp stay overnight on the camp.

The Scout Association's 'Young People First' (The Yellow Card) code of good practice must be adhered to during the Jamborette. All adults on the Camp have a responsibility to ensure that young people are protected from harm. It will be the responsibility of each adult to ensure that:

- their behaviour is appropriate at all times
- they observe the rules established for the safety and security of young people
- they follow the procedures following suspicion, disclosure or allegation of child abuse
- they recognise the position of trust in which they have been placed
- in every respect, the relationships they form with young people in their care are appropriate
- the welfare of all young people is safeguarded
- they avoid compromising situations or opportunities for misunderstandings or allegations

The code of practice summarised above is to protect both Young People and Adults so that they can all experience the challenge and adventure of the Jamborette in the most positive way possible.

**Alcohol:** The Staff Club will be licensed for the two evenings before Scouts arrive and again on the final evening after the Scouts depart. It must be recognised that there is no place for excessive consumption of alcohol at any time during the camp.

As an adult in Scouting, you are a role model for young people. In certain circumstances drinking alcohol has the potential to place adults in a compromising position with regard to their responsibilities for child protection and their duty of care.

All adults need to be physically and mentally fit to undertake their responsibilities in this area.

### **When responsible for young people, adults must not drink alcohol.**

During Scouting events that are attended by under 18s, the following should apply:

- Under 18s **must not** drink alcohol under any circumstances.
- At any one time there should be the correct ratio of responsible adults (in accordance with POR) who must not consume alcohol.
- If you are not directly responsible for young people, and you do drink alcohol, you should still follow the Yellow Card (our safeguarding code of practice).
- **If you are drinking when 'off duty', you should consider how alcohol may affect your ability to carry out your Scouting duties when back on duty.**
- Young people must know who is responsible for them at all times

As the UK's Premier International Camp, it is also important that all staff:

- Consider the cultural and religious observances or needs of those taking part in the event.

In addition, Rule 2.4d in POR, states that "**Adults must not consume alcohol when they are directly responsible for young people on a Scouting activity**". Whilst the participants are onsite we also expect all staff to follow the good practice advice from the Alcohol and Scouting Factsheet which states "**any adults who do consume alcohol must not interact**

with young people and should be 'off duty'."

- At longer events, consider how drinking alcohol might affect someone's ability to carry out their Scouting duties or participation in activities over time. For example, if someone drinks excessively off duty, they may not be fit to carry out their duties or participate in activities the following morning.

Any inability to carry out their Scouting duties, efficiently perform camp duties or exercise proper judgement as a result of alcohol consumption is a serious matter and the Senior Staff **will** take action.

**Camping Standards:** The staff camp will be clearly visible to Scouts and visitors, so an extremely high standard of camping is necessary. A determined effort is required during the whole camp, and especially in the first few days, to ensure that no litter problem develops. Please do not drop litter yourself, pick up any litter you see, encourage the Scouts to do the same and keep the whole camp litter free.

We enjoy an extremely good relationship with the Estate, so please do all that you can to ensure that is maintained. In particular, the facilities of the Caravan site next door are out of bounds to all staff and Scouts in camp (unless you have family staying in the Caravan Park).

**Staff Facilities:** There are various facilities provided for staff during the camp:

**Staff Mess:** Staff Catering is provided centrally and most meals are served in the Staff Mess at the published times. The first meal is evening meal on Saturday 14<sup>th</sup> July and catering ends with lunch on Saturday 28<sup>th</sup> July. Cutlery and crockery are all supplied and you will be expected to do your own washing up after meals. **All staff members are requested to bring a used tea towel with them for adding to the camp tea towel bank.**

**If you suffer from any food intolerances or allergies this should have been recorded on your original application. If there are any amendments please make the camp organisers aware as soon as possible.**

**Staff Club:** A Staff Club will be open daily, providing coffee/tea/light refreshment and a place to relax. Evening entertainment is also laid on. The Staff Club will be licensed for the sale of beer and wine on the Saturday and Sunday evenings prior to the Scouts arrival and again on the Friday evening prior to departure.

Families of staff members who are holidaying in the Caravan Park or elsewhere in the locality are very welcome to use the facilities of the Staff Club during quieter times (10.30 till 12.00 and 14.00 till 16.00). They must sign in at reception beforehand.

There will be the opportunity for staff to have internet and email access, although this will be limited and within specific times. The Jamborette website address is [www.jamborette.org.uk](http://www.jamborette.org.uk) and the Jamborette email address is [blairatholl2018@jamborette.org.uk](mailto:blairatholl2018@jamborette.org.uk)

**Medical Facilities:** There is a camp medical centre, staffed by a team of doctors and medics. All medical issues will be dealt with from here. If you need medical attention either contact a First Aider by radio or via reception or attend the clinics at the advertised times.

Duty first aiders will also be on call. Please make sure that the camp Doctors are aware of any changes to the medical information you submitted prior to the camp.

**Toilets / Showers:** Staff may use any of the toilet facilities onsite. Staff must not use the participant's showers at any time. A new arrangement for staff showers will be implemented at this year's camp with portable shower blocks for staff use being placed at the end of the staff lines.

**Staff Pastoral Support:** Should any member of staff require pastoral support or wish to make a complaint they should see their team leader in the first instance. Stuart Imrie, the Staff Coordinator, is also available to support people as necessary and there will be a staff counselling facility at this year's Jamborette.

**Camp Facilities:** The main camp facilities are located in a large marquee known as the Kastle. In the Kastle you will find the camp Bank, Kafe, Scout Shop, Post Office, and a range of activities.

The camp Bank is available for staff to deposit any personal funds.

The Kastle Kafe is open at various times of the day and carries a large stock of confectionery, crisps and soft drinks.

Glasgow Scout Shop will be operating a well-stocked Scout Shop on site.

The camp Post Office offers a full postal service. The camp address is

**Name**  
**Scout International Camp**  
**Blair Atholl**  
**Pitlochry**  
**Perthshire. PH18 5TL**

The camp telephone number will be provided prior to the camp. This telephone is located in the camp office. There are also payphones at the main gate.

**Provision for Children of Staff:** To help support flexible volunteering and to allow as wide a range of staff as possible to attend the following arrangements are in place to ensure that the children of staff members are welcomed and looked after appropriately. Due to local authority rules the camp cannot take responsibility for staff members' children as we don't meet the required criteria. Therefore, staff members with a child / children under the age of 3 may job share with a nominated adult (not necessarily both parents of the child).

Persons with a child / children over the age of 3 but under 14 must take a full time role but must ensure that there is a nominated other adult with a job that compliments the parent to ensure that there is adult supervision at all times.

There will be a small un-manned marquee for children with their own adult supervision to use throughout the Jamborette. Parents are encouraged to bring one activity/toy to share with others at the camp and to leave in this marquee. Other activities will also be provided. Children with their parents will, of course, also be welcome in the staff club.

**Sub-Camps:** The Scouts camp in one of six sub-camps named after Scottish clans – MacDonald, Maclean, Murray, Morrison, Robertson and Stewart.

**Buddies:** All camp staff are allocated to one of the sub-camps as a buddy. The buddy system gives all staff the opportunity to meet and mix with the young people. Whenever you have free time you are invited to spend it in the sub-camp – whether that be helping the leader team in some way, chatting with the Scouts or sharing a meal with them. Sub-camp teams particularly appreciate help from buddies when Scouts are setting up and dismantling camp, and during the evenings.

There are particular times when all staff will be in the sub-camps. Lunch on the first Sunday, for example, is when all staff get the chance to visit the subcamps they are associated with and eat with the teams on that campsite. The Camp Dinner, on the first Wednesday of camp, involves all members of staff dining with the patrols and is an ideal opportunity to meet the Scouts at the start of the camp. Sunday afternoon is sub-camp based for the whole Jamborette, with international games followed by a barbeque for the evening meal (there is no meal in the staff mess that evening).

**Visitors' Day:** On Saturday, 21<sup>st</sup> July the Jamborette site will welcome visitors from all over Scotland to experience the exhibition of internationalism that is Blair Atholl. The site will open to guests from 13.00, with an International Country Fair from 14.00. This includes stands from all the visiting Countries as well as every District in Scotland and gives visitors the opportunity to get a flavour of the Jamborette and the Countries and cultures represented there.

Visitors are welcome to stay for the International Campfire at 21.00 but must leave site after this has finished. Admission is by donation (suggested £2) and includes some 'Atholls' to spend at the Country Fair.

**Final Checklist:** Congratulations on reading this far! Now please ensure you have done the following by the necessary dates:

- Spoken with your Team Leader
- Paid Camp Fee
