Team Leader	Neil Murray / Scott Grattan / Jamie Mackinnon

For Staff Members - I have read and understood this method statement (print, sign & date):

Slip 'n' Slide Rounders Risk assessment

Name of activity, event, and location	Slip 'n' slide Rounders, Blair Atholl Jamborette 2026, Campsite. Saturday 18th July - Saturday 1st August 2026	Date of risk assessment	25/05/2026	Name of person doing this risk assessment	Neil Murray, Pauline Anderson
		Date of next review	25/05/2027		

What could go wrong? What hazard have you identified? What are the risks from it?	Who is at risk?	What are you going to do about it? How are the risks already controlled? What extra controls are needed? How will they be communicated to young people and adults and remain inclusive to all needs?	Review & revise What has changed that needs to be thought about and controlled?
Falling off plastic sheeting	All Participants	Plastic sheeting needs to be slippy for the game to work. Alert all participants to risks and have first aid provision on hand. Game area should be checked prior to set up and any obstacles removed or fenced off.	
Slips, trips and falls, Uneven ground	All Participants	Appropriate footwear to be worn. Alert all participants to risks and have first aid provision on hand. Game area should be checked prior to set up and any obstacles removed or fenced off where possible.	
Musculoskeletal injuries	All Participants	A safety brief will be given prior to activity commencing. Alert all participants to risks and have first aid provision on hand.	
Getting hit by ball	All Participants Activity Staff	Participants and staff should stay alert during the game.	
Heat Exhaustion	All Participants Activity Staff	Drinking water will be readily available. Any participant displaying signs of overheating will be removed from the game.	
Hypothermia	All Participants Activity Staff	Time spent stationary will be minimised. Participants will be kept warm by playing the game. Any participants displaying signs of hypothermia will be sent for a warm shower and/or to change into dry clothes. Activity staff and participants will wear appropriate clothing for the weather conditions.
