38th SCOTTISH INTERNATIONAL PATROL JAMBORETTE BLAIR ATHOLL

Information for Prospective Staff Members

Saturday 16th to Saturday 30th July 2022

The Jamborette offers a fantastic opportunity for Scottish Scouts to camp with Scouts from many different countries and to take part in a truly unique international event.

Taking part in the camp as a member of staff is equally rewarding. *(Staff must be members of The Scouts aged 18 or over by the 16th July 2022)*

Staff Duties

Serving on the staff at Blair Atholl is exciting, satisfying and much-sought-after. It also includes a lot of hard work, long hours and a commitment throughout the whole camp to helping Scouts from all over the world enjoy a memorable international Scouting experience.

The Camp Organisers are keen to ensure all staff participate fully and fairly in the work and activity of the camp and that no-one is unreasonably burdened; this may mean that staff are asked to help others at busy times.

Being a member of staff at Blair Atholl is an undertaking to do everything asked of you, and a little bit more. There is no doubt it's hard work, but great fun too.

Before the main camp programme begins, all staff are required to help in the major operation of transforming an empty field into a welcoming, well-equipped tented "village" ready for the arrival of the Scouts. After we are up and running staff generally operate in their allocated teams, but can be called on to assist in any aspect of the camp. Further details on each of the main areas of responsibility are given in appendix A.

Staff Selection

Applications from anyone holding an Adult Appointment and currently active in Scouting are invited. There is always a very high demand to be part of the Blair Atholl staff team so, unfortunately, not every application will be successful.

There are many roles to fill from activities to admin, site services to retail, catering to entertainment and all of these require Scouters just like you!

Usually around 20% of the staff are 'first timers' – you don't have to have been to the camp before to apply.

Applications will be acknowledged within ten days. After we have received approval from your Scouting line manager and confirmed you meet the basic requirements explained below you will receive an email letting you know if your application has been successful or not. Please regularly check both your Inbox and Spam mailbox for the email address on your form to ensure you don't miss out on any communications.

The selection procedure is designed to ensure that a staff group of the highest calibre is chosen to maintain the high standards everyone has come to expect from Blair Atholl. If you are accepted as a member of staff you will be sent further details of the camp and your involvement in it prior to the Jamborette. Your team leader will also be in contact with you.

To be eligible to attend the camp as a staff member you must be:

- An active member of The Scouts with an adult appointment or in an Active Support Unit and aged 18 or over by the 16th July 2022
- *If you are a member of the Scout Network who does not hold or has not applied for an adult appointment in Scouting you must take up an Adult Appointment or join an Active Support Unit and compete the necessary conditions associated with the role.*

1. A valid PVG/Disclosure secured through Scouting
2. **Module 1** of the Adult Training Scheme, completed & recorded on Compass

All modules must be 'in date' at the start of the camp

8. GDPR module, completed & recorded on Compass
9. Safety and Safeguarding modules, completed & recorded on Compass

All modules must be 'in date' at the start of the camp

At the beginning of camp, you must meet The Scouts' First Aid requirements for your role

If you are currently an Explorer Scout but will be 18 by the time of the Jamborette you must have completed the appropriate paperwork/training for the role you will hold (indicated above / previous page) prior to the camp.

*The earliest you should apply for your Protection of Vulnerable Groups Certificate is 6 months before your 18th birthday and the paperwork for the adult appointment you will undertake from the age of 18 must have been completed and passed onto Gilwell at that time. **More information on this process is available from your District Commissioner or District Appointments Secretary.***

ANY APPLICATIONS THAT DO NOT MEET THE CRITERIA ABOVE PRIOR TO THE CAMP WILL NOT BE ACCEPTED.

Full details on obtaining a PVG Certificate through Scouting can be provided by your District Commissioner or District Appointments Secretary.

During the camp our volunteers provide a varied menu for over 450 staff. We can cater for the 14 recognised food allergens but given the scale, we cannot provide the degree of personalised menu to suit individual preferences that might be found at a group camp.

SECTION 5 (Tent Hospitality Information)

Tent Hospitality:

An essential aspect of the camp is International Friendship. In the past we have encouraged all leaders, where possible, to invite an Overseas Leader to stay with them after the Jamborette. Sadly

we are unable to offer Home Hospitality this year. With the hope that we will be able to offer this in 2024 we haven't altered our application form, so please choose either option safe in the knowledge that you are not committing to offering HoHo this year.

Similar to the previous section, as part of the International Friendship elements of the camp it is hoped that most staff will provide sleeping accommodation for our Overseas Guests. Please indicate whether you will be able to provide this in this section of the form. This will then be followed up nearer to the camp.

Appendix A: Main Areas of Responsibility

Activities:

This is the biggest team at the Jamborette. Activities staff are divided into groups that specialise in particular areas and also help to run bigger events. Certain activities require **formal qualifications or Scout Permits**, but most of all activities staff need to have a thorough knowledge of their activity so they can explain it enthusiastically and in a way that the Scouts will find both fun and challenging.

The Activities Team is divided into 6 groups. These are Administration, Adventure, Basic, Creative, Sports and Treks & Tours. Details of the likely activities and the groups they are part of are available at <http://www.jamborette.org.uk/>

We're always looking for ideas for new activities, so please feel free to give us any suggestions. Also, please list all skills / hobbies / interests on the form to aid selection and note that a degree of physical fitness is required for most activities.

Camp Village Facilities:

The Bank, the Shop and the Post Office comprise of a small group looking for people with good communication skills, able to get on well with Scouts, work well as part of a group, and who are calm and organised. Some experience of the particular job is an advantage.

Members of this team need to, as a minimum, hold current adult first aid certificates and preferably be practising first-aiders. This small group will have members who can keep calm and have good inter personal skills. The First Aid team will also draw on staff who are working in other areas.

Site Quartermaster:

The Site Quartermaster team is a small group of staff who support the day-to-day running of the camp. They supplement the Site Services team when necessary but are also used to provide direct support to the subcamps, activities areas, etc., as required to ensure the smooth running of the Jamborette.

They need to be energetic and enthusiastic and able to motivate the young people in their camp. A sense of humour, solid Scouting skills, and good inter personal skills are essential. Staff are also required for the Satellite Camp that takes place for four days during the middle weekend of the Jamborette. Attendance at a pre-camp Subcamp training weekend is essential

Kids Korner is a facility where children of staff, accompanied by their Parent/Carer, can play and socialise together.

Quartermaster and Catering:

This team is broken down into three sub-teams Staff Catering, Staff Club and Quartermaster.

Knowledge of catering and organisational skills would be an advantage but not essential as we can teach you everything you need to know about the role you would be doing. A good standard of hygiene, flexibility and the ability to work as part of a team would be advantageous.

Food hygiene refresher training will be provided for all members of this team at the beginning of the camp.

Each department has further information below. Please indicate any preference for a specific role on your application form along with any relevant experience.

The Quartermaster team provide all the food for all the camp at the right time on the right day. The Staff Catering Team provides the staff of 450 with three meals a day, and the "Staff Club" Team provide a never-ending supply of coffee, tea, juice, a listening ear and entertainment.

Staff Catering

Camp Cook/ Chef

An interest in cooking and a willingness to learn new ways of working. Experience of large scale catering is preferred but not essential as full coaching and instruction in use of our portable kitchen will be provided.

Food safety should be at the fore front of your daily routine and you should be able to encourage other kitchen staff to maintain similar high standards.

You should be able to work quickly and accurately during busy periods and occasionally take on extra duties during quieter periods.

You would be working in a 2-shift system which will allow you to experience other areas of camp life outside of the kitchen and staff mess.

Catering Assistant

No previous experience of catering is necessary although it would be useful. We will provide all necessary training and equipment to enable you to fulfil the role.

An essential member of the staff catering team, you will be the magic that makes it possible to feed 450 people, 3 times a day from a temporary kitchen on a greenfield campsite.

Part of a lively team where duties will include food preparation, serving and general housekeeping and cleaning.

You would be working in a 2-shift system which will allow you to experience other areas of camp life outside of the kitchen and staff mess.

Catering Supervisor

You will have overall responsibility for the staff mess, preparation and wash-up areas.

Working in conjunction with the chefs on your shift you will be responsible for managing the catering assistants. You will ensure that the self-serve areas of the mess are always topped up with food and drink.

You should have a reasonable understanding of food safety, be able to motivate and encourage others, with good people skills and experience in managing adult volunteers.

You would be working in a 2-shift system which will allow you to experience other areas of camp life outside of the kitchen and staff mess.

Staff Club

The Staff Club is the social hub for the adults on camp; plain white plastic marquee from the outside, walk through the wood panelled doors to the soothing comfort of a fully lined, floored and carpeted café style oasis, where the aroma of freshly brewed coffee permeates the air, complementary hot drinks and juices are served to you by the welcoming Staff Club team and relaxing music competes with the chatter of friends, old and new, catching up with the events of the day.

At night, the Club turns to entertainment, with new and old favourites filling the bill; themed nights, quizzes and opportunities for Staff old and new to air their talents. Supper rounds off each evening, served within the Club, a much-welcomed energy boost for the day ahead.

Think you've got what it takes to be part of this essential team, no prior experience necessary, you only need to bring a smile. And like the wider QM and Catering team, shift patterns afford adequate opportunity to experience the others areas of life on camp.

Quartermaster

The Quartermaster Store (QM) is essentially the warehousing and distribution centre for all foodstuffs (fresh, frozen and ambient) received on to the site to cater for the entire camp population for the duration of our stay at the Jamborette.

Daily duties range from; receipt and offloading of delivery vehicles, stock controlled warehousing of the receipted produce, timely appropriation and distribution accordingly with meal requirements and activities, interaction with both staff and young people on all matters food related and assistance wherever required with our colleagues in the Staff Mess and Staff Club.

No prior experience is necessary as you will learn as you go in this team, that said the duty days can be long and intense at times and some degree of flexibility and willingness to go that extra yard is a welcomed characteristic.

You should be able to work well as part of a lively team and be amenable to 'moments of madness'.

Good people skills and an ability to communicate equally well with adults and young people, both Scottish and overseas, are essentials.

There is a degree of manual work, you don't need to be super fit but you will need to be fairly willing and able.

Work pattern falls into a 2-shift system when the team are fully up and running, affording you plenty of opportunities to experience the many other areas of camp life outside of the QM when not on shift.

Reception

Reception staff welcome Scouts and guests to the site so must be able to create a good first impression. They manage vital communication by radio and telephone. Good communication skills, a confident telephone manner and an ability to show initiative are essential. Staff here are always in the public eye, wear uniform for much of the camp and are required to be presentable. They will establish a welcoming area which highlights the history of the camp and the modern Scout movement. Language skills are an advantage.
