Smile!

- | A smile costs nothing, but gives much.
- | It enriches those who receive, without making poorer those who give.
- | It takes but a moment, but the memory of it sometimes lasts forever.
- | None is so rich or mighty that they can get along without it, and none is so poor, that they cannot be made rich by it.
- | A smile creates happiness in the home, fosters good will in business, and is the countersign of friendship.
- | It brings rest to the weary, cheer to the discouraged, sunshine to the sad, and it is nature's best antidote for trouble.
- | Yet it cannot be bought, begged, borrowed, or stolen, for it is something that is of no value to anyone, until it is given away.
- | Some people are too tired to give you a smile;
- | Give them one of yours, as none needs a smile so much as they who have no more to give.

When a torch or flashlight grows dim or stops working, do you just throw it away?
Of course not. You change the batteries.

When a person messes up and finds themselves in a dark place, do you cast them aside?
Of course not! You help them change their batteries.

Some need AA...attention and affection.
Some need AAA...attention, affection and acceptance.
Some need C... compassion
and some need D...direction.

And if they still don't seem to shine...simply sit with them quietly and share your light.

Jobs fill your pockets. Adventures fill your soul.
