## Frog Fun!

It seems there were two frogs sitting on a lily pad, when all of a sudden, a fly came along. One frog put out their tongue, ate the fly, and started laughing hysterically. Soon the other frog joined in the laughter.

Later in the day, the other frog ate a fly and the two frogs burst out in laughter. As time went on, the frogs enjoyed the flies so much that the sight of a fly would cause them to double up with pleasure (if it's possible for frogs to double up!) But of course, the most pleasure came when the fly was actually eaten.

A third frog hopped up to the first two and asked what was so funny. The first frog answered, "Time." "Huh?" asked the third frog. The second frog explained:

"Time's fun when you're having flies."

We make a living by what we get, but we make a life by what we give.

## Why don't you?...

Take a minute to think about who has helped you in your Scouting journey. If you're able to contact them, send them a message and say 'Thank you!'

## Six little stories

Once all villagers decided to pray for rain. On the day of prayer, all the people gathered, but only one boy came with an umbrella. That is **faith**.

When you throw babies in the air, they laugh because they know you will catch them. That is **trust**.

Every night we go to bed without any assurance of being alive the next morning, but we still set the alarm to wake up. That is **hope**.

We plan big things for tomorrow in spite of zero knowledge of the future. That is **confidence**.

We see the world suffering, but still, we get married and have children. That is **love**.

On an old man's shirt was written a sentence, "I am not 80 years old; I am sweet 16 with 64 years of experience. That is **attitude**.

Have a happy day and live your life like these six stories.
